

## GOODS AND SERVICES DECLARATION

The undersigned, requesting transportation, logistics, port, customs or other services related to the aforementioned services from Noatum, or from any of the companies belonging to the Noatum group, declares that:

The services requested are subject to an essential transport, logistics and/or supply chain in accordance with Spanish Royal Decree-Law 10/2020 of 29 March.

He/she accepts responsibility before Noatum for any consequences arising from the interpretation that the authorities and any other third parties may make regarding the nature of the merchandise, its connection to essential services, or the essential nature of the service contracted with any company in the Noatum group, including, but not limited to, delays, unusual handling, inspections and fines.

He/she also gives his/her consent for a copy of this declaration to be passed on to any of Noatum's suppliers, in order to ensure the correct rendering of the service contracted with any of the companies in the Noatum group.
